HUGHES IS SPEAKING IN WISCONSIN TODAY

Invades Territory of LaFollette--Lost His Clothes While Taking Bath

By Perry Arnold, (United Press Staff Correspondent.) Green Bay, Wis., Sept. 20.—Speaking to audiences in Wisconsin towns which were for the most part of German stock, Republican Nominee Hughes today pleaded for "America first" and for an America "that has no secret understandings, no covert intrigues, but demands that its just rights be recognized as to lives, property and commerce."

name, nor connect the administration with his reference but this was plainly what was meant. In previous speeches Hughes has frequently pleaded for full recognition of American rights as to lives and property, but today was the first time that he added the significant word "commerce" to the phrase. Wisconsin turned out big to welcome the candidate. He has had no better audiences anywhere in his journeying than those at Sheboygan, Manitowoc and here. At Manitowoc after Hughes had spoken, a change of engines held his private car at the station. Crowds massed about it and finally the candidate clambered down from the platform and yelled for them to come and get acquainted. In the meantime Mrs. Hughes came out and shook hands from the platform with the women in the audience, patting babies and doing just as good a job at mingling as her husband. **Big Crowds Greet Him.** Sheboygan, Wis., Sept. 20.—Into LaFollette's progressive territory, Republican Nominee Hughes carried his sermon on a reunited republican party. The nominee was stimulated by the biggest and best demonstrative meetings ever held in Illinois. He was in fighting trim—refusing all ministrations for tired throat muscles which his doctor, Dr. L. D. Alexander, Jr., proffered, and facing a day's program of seven speeches in Wisconsin with a new vim and energy. Mrs. Hughes was expectantly waiting

today for the stop in Milwaukee tonight. For in Milwaukee there resides Sarah Williams, who nursed Mrs. Hughes as a baby. Mrs. Williams is married and lives in Milwaukee now. Mr. Hughes met one of Mrs. Williams' daughters at Denver on the transcontinental trip and another at Bangor, Maine. Mrs. Hughes had lost track of her nurse for years but when she met the two daughters, determined to renew acquaintance again in Milwaukee. It developed today that Governor Hughes had an unpleasant experience in Springfield late yesterday. After his speech at the fair grounds, the governor hurried back to a hotel, dripping with perspiration and anxious for a change in clothes. He hustled into a bath, depositing his soaked garments on a chair. Then he got into a bath tub. In the meantime there was a hurried search by the governor's guards for some dry clothes. Gibson, the messenger and valet, to whom the garments had been entrusted, had disappeared. There was a hurried search for Gibson—and the garments. In the meantime the candidate had finished his bath and was shouting for dry clothes. Because they were not in evidence, he had to go to bed temporarily, until Gibson put in an appearance, breathless with haste and an excuse about a busted tire. Today's program for the republican presidential candidate called for roars of the train speeches at seven Wisconsin cities—Sheboygan, Manitowoc, Green Bay, Appleton, Oshkosh, and Fond Du Lac, ending with a night meeting at Milwaukee.

HOW TO RID THE SKIN OF OBJECTIONABLE HAIRS

(Aids to Beauty) A simplified method is here given for the quick removal of hairy or fuzzy growths and rarely is more than one treatment required: Mix a stiff paste with some powdered delatone and water, apply to hairy surface and after 2 or 3 minutes rub off, wash the skin and every hair has vanished. This simple treatment cannot cause injury, but care should be exercised to get real delatone.

Wheat Prices Show But Little Change

Chicago, Sept. 20.—Wheat remained firm due to small offerings and favorable reports on Canadian markets. September wheat was below the opening 1-8 at \$1.50 1-8; December up 1-2 at \$1.50 1-2, and May up 7-8 at \$1.51 3-8. Corn opened easy with lower cables and improved weather conditions. Firmness in wheat caused later slight recoveries. September remained unchanged at 86 1-2; December up 1-8 at 73 1-2; May up 1-8 at 76 3-4. Oats showed little change, September being 1-4 higher opened at 54 1-4; December up 3-8 at 48 1-4 and May down 3-4 at 50 1-4. Provisions were quiet.

Fair Opened Yesterday

The Polk county fair, the biggest and best fair of its kind in this part of the state, opened Tuesday morning at the fair grounds west of the city. The afternoon session opened with an address by Governor Withycombe which was greatly appreciated by all who heard him. Today will be the big day of the fair. This afternoon the Salem Cherrians and a large crowd of Capital City people are planning to come over and visit the fair, and the people of Dallas will turn out and greet them. The business houses of the city will be closed a couple of hours in the afternoon so to give all a chance to participate in the welcoming of the Salem crowd. The Cherrians will drill on the Dallas streets after their arrival and will then be conducted to the fair grounds. Another feature of today's program will be the automobile parade which will be held about 1 o'clock. The prizes for the best decorated car are quite attractive to automobile owners and a large number of handsome cars will be in the parade. Mrs. Hallie Parrish Hinges of Salem, sings several selections on the grounds each afternoon and evening.

Council Meeting Notes.

At the council meeting Monday night the ordinance prohibiting the playing of cards in billiard and pool rooms was lost, the chair ruling that a majority vote was needed to make the ordinance a law. The Orpheum theatre is now operating on a \$40 a year license which will expire with this month. A resolution providing for the strict enforcement of the traffic laws of the city was lost, a majority of the council being willing for the police to handle the traffic as they saw fit. A resolution was passed approving the action of the mayor and auditor in signing an agreement for the purchase of the half interest in the Falls City rock quarry and a warrant was drawn in the sum of \$500 to pay for the city's share of the property.
